03/12/114 Jubilee Celebrations

The Church and others are organising a lunch on Sunday 3<sup>rd</sup> June 2012.

They have planned a fancy dress parade from Sportsfield and then a picnic on the school drive. They are currently enquiring about using the school toilets and grounds. Music is to be by Forro Porro.

The group was also considering printing certificates for the children who attend and getting the school involved in the design.

In the evening the band Kinked would be performing in the Village Hall and there would be a dance and supper.

Leaflets about to be distributed publicising the event.

**Resolved** – that the Parish Council pay for the printing of the leaflets and to check with the insurance company to make sure the event would be covered.

The planting of a commemorative tree was also discussed. A site had been identified on the Sportsfield.

**Resolved** – to make further enquiries.

03/12/115 Parish Council Committees

**Planning**

Notice of Decision

Retention of timber summer house (re-submission) at Highgate Barn, 15b Highgate – planning permission granted.

Tree Work

Application to fell sycamore close to boundary of 108/106 Canada Drive – approved with conditions.

Funding for Youth Work project

Local authority funding is being withdrawn for the group and they will be struggling for financial support.

**Resolved** – to send letter to the East Riding councillors to make them aware of the situation and to stress the positive contribution the group makes to the village.

03/12/116 Sportsfield Management Committee

They are currently looking at cutting costs and continuing with the fund-raising. A race night is due to be held on 30<sup>th</sup> March.

A new agreement has been signed with Kid's Club which is for a fixed monthly charge and no cleaning.

The insurance needs have been revised and this has resulted in a reduction of about £100.

The number of grass cuts is to be reduced from 18 to 10 annually.

A health and safety inspection has been done and quotes for electrical work and plumbing have been obtained. It was felt that the toilets in Number 3 changing room need to be reinstated.

There were still some concerns about the building work.

The water has been cut off from Changing Room 3.

The hatch to the roof has electrical cables going across and can't be closed.

Cllr Smith had also investigated the new water heater as there were no instructions left. It needs to be inspected annually and maintained.

The insulation in the loft is not extensive or thick enough.

**Resolved** – the Chair agreed to chase up the builders to find out why the water to Changing Room 3 has been cut off and a letter is to be sent outlining the problems.

The use of the facilities by the organisers of a 10k race walk has been cancelled as organisers kept changing dates, times and requirements.

Cllr Baker added that a funding application had been submitted to BIFFA for £2000. This would not be confirmed until September but it was suggested it went towards a Multi sports area for the Sportsfield.
