Planning

Applications received

Erection of livestock buildings (north and south), Dunkenhill Farm, Highgate.

Concern was expressed about any odours that might occur from the storage of the slurry and the risk of contaminated flood water coming from the fields if there was a repeat of the 2007 flooding.

There were also concerns about heavy lorries coming through the village to the farm.

It was agreed that, if the application was approved, the concerns above should be taken into consideration.

A concerned resident had emailed some questions about the application and professional advice had been sought to respond to these.

Notice of Decision

Tree work at Elm Tree Farm, Etton Road – no objections.

A letter had been drafted to AJ Builders outlining the problems and, once the Chair has approved it, will be sent.
