06/18/28 Pond Matters  
Following the Extraordinary Meeting yesterday, the Defence Document had been submitted at the Combined Court in Hull. There was a discussion about the most recent letter from the No. 2 The Meadows resident's solicitor. He wanted to define the terms of reference for any informal meeting. He had again rejected the PC suggestion of having a meeting in a neutral location without legal representation.

**Resolved** – to inform the resident's solicitor that the Parish Council committee formed only has authority to agree the boundary line, although other issues could be discussed but would need to come back to the full PC meeting. It was also agreed to again suggest a neutral location without legal representation.
